## Limited Lifetime Warranty

DK-Lok Corporation provides a limited lifetime warranty to the purchaser of its products.

We warrant that all non-electrical components of our products are free from defects in materials and workmanship for the duration of the product's life.

This warranty is valid only when the product is used as recommended and does not cover any damage resulting from abuse, misuse, unauthorized repair, or modification.

If any parts fail due to a defect in material or workmanship, the purchaser's remedies are limited to the replacement and installation of those parts. Liability for installation is limited to reasonable costs approved in advance and in writing by DK-Lok®.

Electrical components installed in or on the product are warranted to be free from defects in material and workmanship for a period of twelve (12) months from the date of purchase.

All other warranties, including but not limited to merchantability and fitness for a particular purpose, whether express, implied, or arising by operation of law, trade usage, course of dealing, or otherwise, are hereby disclaimed.
